

Spirit Life, in Real Life Galatians 6:1-10

Restore the sinners. Galatians 6:1

"Brethren, even if anyone is caught in any trespass, you who are spiritual, restore such a one in a spirit of gentleness; each one looking to yourself, so that you too will not be tempted."

Help the burdened. Galatians 6:2-5

"Bear one another's burdens, and thereby fulfill the law of Christ. For if anyone thinks he is something when he is nothing, he deceives himself. But each one must examine his own work, and then he will have reason for boasting in regard to himself alone, and not in regard to another. For each one will bear his own load."

- In order for us to care about the burdens of others you must know the burdens of others.
- Don't forget to secure your own oxygen mask before securing the other persons. Galatians 6:4-5

Share with the leaders. Galatians 6:6-9

"The one who is taught the word is to share all good things with the one who teaches him. Do not be deceived, God is not mocked; for whatever a man sows, this he will also reap. For the one who sows to his own flesh will from the flesh reap corruption, but the one who sows to the Spirit will from the Spirit reap eternal life."

Love EVERYONE! Galatians 6:9-10

"Let us not lose heart in doing good, for in due time we will reap if we do not grow weary. So then, while we have opportunity, let us do good to all people, and especially to those who are of the household of the faith."

- We cannot know what is good for someone unless we know the person.

LifeGroup Discussion

It can be difficult to enter into people's lives that are messy and sinful. However, many Christians need help and need people to enter into the mess with them. Let the following questions inspire us and drive us to action.

1. What are ways that we can restore people gently?
2. Do you have an example of someone who bore your burdens when you really needed help?
3. How can we be people who bear our own load while still helping others?
4. Who has shown you an example of goodness in your life? How has someone done good to you?
5. How can you support those who are teaching and guiding you?
