

# Emergency Procedures

## PARENT INFO

In the event of an emergency the safety of your children is our top priority.

### Please be aware of the following:

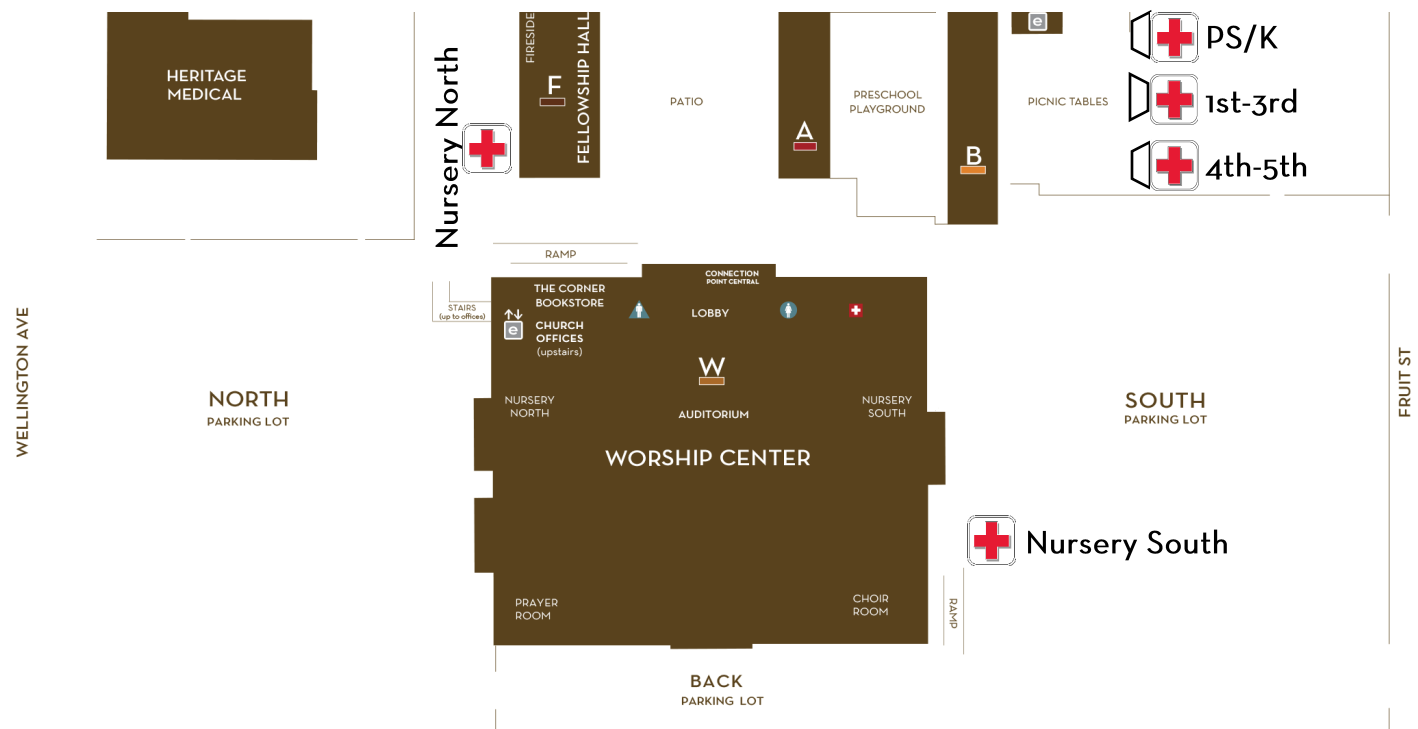

Children will be evacuated into **Safe Zones** and released to their parents from there.

- Nursery South (Birth - 18 months) - South Parking Lot
- Nursery North (19 - 36 months) - North Parking Lot
- Preschool & Kindergarten - on the Field closest to the enclosed playground
- Lower Elementary - on the Field near the center planter
- Upper Elementary - on the Field closest to the parking lot wall

- ✓ Children will not be released during a lockdown.
- ✓ Do not go directly to your child, but rather meet us at the appropriate **Safe Zone**.
- ✓ Children will be released one at a time to their parent/guardian. Please help to make this process easy on everyone by waiting patiently for your turn.
- ✓ ALL children must be checked out electronically with a ministry leader; security tags will be checked.
