Guest Speaker: Darrow Miler

About today's guest speaker: Darrow Miller is a world-renowned author and teacher on Christianity and culture, apologetics, worldview, poverty, and the dignity of women. As a young adult, he was discipled by Francis Schaeffer at L'Abri Fellowship in Switzerland. Over the years he has served as a pastor in various contexts, provided leadership at Food for the Hungry and most recently launched the DNA (Disciple Nations Alliance). The DNA is a global nonprofit organization in over sixty countries who through training, publishing, and mentoring are "equipping the church to transform the world."

"Go therefore and make disciples of all the nations, baptizing them in the name of the Father and the Son and the Holy Spirit, teaching them to observe all that I commanded you; and lo, I am with you always, even to the end of the age." Matthew 28:19-20
