

JOIN US AT CALVARY FOR  
**REACH WEEK**  
MARCH 29 - APRIL 7, 2019

ACROSS THE  AROUND THE  
**STREET** **WORLD**

*Following Jesus to the Nations in Your Neighborhood... and Beyond*

**“Jesus was going through all the cities and villages...  
seeing the people, He felt compassion on them...”**

**Matthew 9:35-36**

Our purpose statement at Calvary Church states, “Calvary Church is a community where we CONNECT with God and others to GROW in our faith so we REACH Orange County and the world for Jesus Christ.”

Each time I re-read the part about “Reaching Orange County and the world for Jesus Christ,” my palms get a little sweaty! Reach the 3.3 million people in Orange County and the 7.7 billion people in the world? How could one church in Santa Ana, California aspire to such an outrageous and large task!

**THEN I STEP BACK, TAKE A DEEP BREATH AND REALIZE 3 IMPORTANT THINGS:**

- 1.** We don't take on this task of reaching Orange County and the world alone. Jesus Himself promised that He would be with us in obeying the Great Commission (Matthew 28) and He promises us the power of the Holy Spirit when fulfilling this commission (Acts 1:8).
- 2.** We the people of Calvary Church are part of a larger movement of churches and Christians all over the world, passionately living out the same purpose. It's not just us, we belong to a worldwide team!
- 3.** Our purpose to reach Orange County and the World for Jesus Christ begins with the simple task of “walking across the street” and building loving relationships with our neighbors, co-workers, fellow hobby enthusiasts, friends and social networks with the hope of demonstrating and proclaiming the good news of Jesus. Our purpose isn't to reach 3.3 million all at once. It begins with one.

**EACH ONE, REACH ONE!**

Our 90 global missionary partners spread out over 35 countries, courageously and passionately “walk across the street” each and every day in a cross-cultural context. We are so excited to share their stories with you during Reach Week 2019!

## JEANNIE MARIE

**Author of “Across the Street & Around the World”**

Sunday, March 31

9:30am | Worship Center

Jeannie Marie is the author of *Across the Street and Around the World:*

*Following Jesus to the Nations in Your*

*Neighborhood...and Beyond.* Jeannie loves to speak

on how to create relational bridges with people from other cultures and faiths, and help people and churches find their global role, and missional strategy.

Jeannie grew up as an expat, third-culture kid, in the Philippines until she came to the United States for a degree in Communications. Jeannie and her husband and four children live in the suburbs of Phoenix, Arizona. She also knows what it's like to find your global role starting right where you live, as she worked across the street from international students, refugees, community development non-profits, and at a church mobilizing others to go to the nations. She hopes to inspire others to live an extraordinary life following Jesus into other cultures with courage, compassion and confidence.

## BILL CAMPBELL

**Greater European Mission**

**France**

Sunday, March 31

9:30am | Worship Center

Bill, his wife, Kristie and their five children have lived in Paris since 2010.

The Lord has broken their hearts for the 13 million people of the Ile-de-France. Hopeless atheism, empty secularism, and deeply-entrenched occultism oppress and depress the people all around them. The darkness, the spiritual resistance, and the oppression are palpable there. And yet, in the midst of it all, Jesus is building His Church. A new church is started every 10 days in France. Increased unity pervades denominations and churches. Young people are coming to Christ; many of them hearing the true gospel for the first time and responding.

The Campbell's focus with GEM is as the City Reach Leaders for Paris, leading in evangelism, discipleship multiplication, and simple-church planting.

## PATRICIA SAWO

**Kenya - Mission Stream**  
Sunday, April 7  
9:30am | Worship Center

Patricia “Mama Sweetie” Sawo is the author *I'm Not Dying* and founder of the Discover to Recover Centre - an orphanage and school for children with HIV/AIDS in Kitale, Kenya. In addition to maintaining the physical and educational needs of the 53 children under her care, Patricia provides love and hope, rooted in Biblical fundamentals. She is the recipient of the 2011 CNN Hero Award.

In 2002, Patricia was ordained as a minister, and she went on to help start ANERELA+, a network of African religious leaders living with or affected by HIV or AIDS. She began preaching about the issue regularly from the pulpit, believing that faith leaders have a responsibility to speak out. In 2005, she and her husband established the Discover to Recover Centre. It was originally intended as a place for adults to receive care. But as patients died, leaving their sons and daughters behind, it evolved into a home for children.

# THE 3 DAY GLOBAL CHALLENGE: DISCOVER BY DOING

**BY: JEANNIE MARIE**

Author of "Across the Street & Around the World"

## WHY DO THIS GLOBAL CHALLENGE?

We do these kinds of experiences to identify with God's heart for the whole world. Each of these radical experiments transports us into a specific reality for two-thirds of the rest of the world. The physical discomfort translates to the spiritual. Going without light reminds us that Jesus is the light of the world. Drinking from one water source reminds us that Jesus is our source of living water. Setting ten minute cell phone alarms trains us to check in with God regularly. Secondly, all of these experiments are visible to others and must be done throughout the day. So as we grapple and groan, we must process what we're doing and why we're doing it—with others.

***Will you join us in the challenge?***

## DAY 1: TURN OFF THE LIGHTS

Today, don't use any lights, or turn the electricity completely off. Use candlelight for dinner.

Jesus said, *"I am the light of the world. Whoever follows me will never walk in darkness, but will have the light of life"* (John 8:12).

What if you lived in spiritual darkness your whole life? What if there was a light switch in your house but someone just needed to show you the spiritual light switch? Jesus. Pray that Jesus Christ, the light of the world, would shine into the darkness of people's souls. Pray especially for those people in the world who will never even know that the light of Christ is available, because no one brought the light to them.

## DAY 2: DRINK FROM ONE WATER SOURCE

Today, only use water from one faucet in your home. Put a post-it note on the faucet to remind your family to only use this “well” to get water.

Jesus said *“Everyone who drinks of this water will thirst again; but whoever drinks of the water that I will give him shall never thirst; but the water that I will give him will become in him a well of water springing up to eternal life”* (John 4:13-14).

You’ll find you have to take bucket showers, flush the toilet with buckets of water, and maybe even boil drinking water. This will remind yourself that finding the one way through Jesus takes a lot of intentionality, and you have to keep going back to the one source to get filled up.

Pray for those who are drinking from many different kinds of “water” to try to find happiness or fulfillment in life. Many have never even heard of the one source of living water, Jesus Christ.

## DAY 3: SET APPOINTMENTS WITH THE KING

Today, set your alarm on your cell phone to ring every half hour. If you’re ambitious, do it every ten minutes. You have an appointment with your boss, King Jesus who runs God’s economy in the Kingdom of God.

The apostle Paul writes, *“Never stop praying…”* (1 Thessalonians 5:17).

When you hear the reminder alarm ring, ask God how you should pray for the nations and pray whatever he brings to your mind. It might be a simple breathe prayer to God, such as: *“God, I pray freedom for girls in Nigeria being kidnapped. Lord, please inspire someone to translate the Bible into tribal languages. Jesus, equip the believers in South India to go north. Spirit of God, blow away the cloud of disbelief and secularism over Turkey.”*
